

Sponsorship Opportunities at the ICNS 2017 in Korea

Make your company visible to the world community of Neutron Scattering

We welcome worldwide researchers and participants to ICNS 2017, Daejeon, South Korea. Surrounded by national mountain park and towns enriched with charming temples and historic remains of ancient dynasties, Daejeon, the host city of the ICNS 2017, is located at the central region of Korea and about 50 minutes away from Seoul, the capital city of Korea, by high speed train. Daejeon is known as the City of Science which has been a power house of most exciting scientific and technological advances in Korea over the last thirty years with 30 research institutes including the Korea Atomic Energy Research Institute (KAERI) where the HANARO Neutron Research Facility belongs, and 19 universities including KAIST.

Also, your sponsorship in this exciting event will provide excellent opportunities for your company to expose high quality products and services to the experts from all parts of the world.
